Parent's Consent

I have read and understood the e-safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school, advice for parents is available at www.thinkuknow.org.uk/parents or by contacting the school. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials.

I will encourage my child to adopt safe use of the internet and digital technologies at home, including appropriately aged games and I will inform the school if I have concerns over my child's e-safety.

I understand that social media is not the place to criticise the school and the school has a complaints procedure in place which I should follow.

Please remember mobile phones are not allowed on the school premises for the taking and sharing of images and videos at school events.
