

Scientists and Inventors

Week 1

David Attenborough

1. Children need to have a look at the PowerPoint and find out about the life and works of David Attenborough.
2. Answer questions about David Attenborough either on the sheet or writing about him in science book.
3. Watch part of a David Attenborough clip (link below to YouTube) and think about how he is introducing the animal, can they think about facts he gives us about the animal.
4. Using the Wildlife documentary sheet as a guide, children to choose 1 animal to write a documentary about in the style of David Attenborough. They should use the internet to research facts about the animal and make notes (either on sheet or in books).
5. Children to either write a documentary or film themselves recording a short documentary. (these can be uploaded on ClassDojo) about their chosen animal in the style of David Attenborough.

Extension activities

1. Write a formal letter to David Attenborough asking any questions that you would like to know more about.
2. Write a biography about David Attenborough
3. Write a set of questions you would like to ask him if you could interview him.

Documentaries
