

Hello Class 1!

Welcome back after your well-deserved Easter break.

I will be updating daily work to the Classdojo (mainly Maths and English tasks). If you haven't got you login details then send me an email at b.reineck300@durhamlearning.net or message me on the school Facebook page – whatever's easier.

I am sure you will still have work to do from your home learning packs, particularly for Science, History, Geography and RE. Remember, just choose 1 activity from each of those subjects per week. Make sure you're doing a little exercise each week and get creative by doing a little Art and DT.

I will be posting more work for those subjects in the next couple of week with some new, interesting topics to cover. Watch this space!

Remember to use Lexia for just 30 minutes per day. Phonics Play is another great (free) online resource to practise reading letters and sounds.

Keep working hard and remember to send me pictures of your lovely work either on Classdojo or on our Facebook page.

Miss Reineck
