

Hello Class 3!

I hope you're all well and that parents and children alike are managing to survive home learning! WELL DONE! Parents- you are doing a great job. We know how stressful it can be to keep children motivated and on task. You are doing it at home, often whilst working yourself and balancing the stresses of daily life which this new situation has brought to us all.

So as we embark on this 'Summer term,' take a deep breath and give yourself a huge pat on the back for all you've done so far.

In terms of work, I'm hoping that most of you still have plenty in the packs provided for you by Mr. Laws. It is very important that children also practise reading, spelling, handwriting and times tables each day. There are daily activities now available on the BBC Bitesize website and I will shortly be uploading additional work to the school website. Daily activities will also be added to Class Dojo and points awarded for good work- if you're yet to login don't hesitate to contact me via the Facebook page or by email [e.lusardi100@durhamlearning.net](mailto:e.lusardi100@durhamlearning.net) in order to get your details. We'd like to have as many of the children connected as we can!

Lastly, I just wanted to say how much I am missing the wonderful class I expected to be reunited with this week. I have loved popping in and seeing them these last few months and was very much looking forward to getting to know them again. I am staying positive and hoping I will get to see them before the summer holidays.

Take care and stay safe,

Mrs. Lusardi-Smith
