

Scientists and Inventors

Week 2

CSI

1. Children to find out what a CSI technician is using PowerPoint
2. Complete activity worksheet using 4 Workstation information sheets.

Extension activities

1. Write a formal letter to apply for a job as a CSI technician
2. Collect your own finger prints!

Press an oily or sticky finger onto a glass. Dust your fingerprint with cocoa powder and gently brush it off. Place a piece of sticky tape over the fingerprint. Lift the finger print on the tape and stick it to some light-coloured. Do the same to a family member. Do they look the same?
