

LO. To be able to write a postcard to describe the landscape and location of Greece.

Hi _____

These questions may help you in writing your postcard.

Where are you?

What is the date?

What is the land around you like? Can you describe it?

What is the weather like there?

How do you travel? How is it different to the way we travel today?

What have you found out so far about Ancient Greece?

What do you want to find out *more* about?
